

REQUEST FOR PURCHASE IN EXCESS OF \$20,000/CHANGE ORDER

To:	MAYOR AND COUNCIL	Agenda Item No. <u>IV. I.</u>
From:	Wayne D. Houle, PE Director of Engineering	
Date:	August 21, 2012	
Subject:	Reject Bids - Raw Water Main Piping – Contract No. PW 12-2	
Date Bid Opened or Quote Received: August 14, 2012		Bid or Quote Expiration Date: October 14, 2012
<u>Company</u>		<u>Amount of Quote or Bid</u>
1. Ellingson Drainage, Inc.		\$ 798,126.00
2. GM Contracting, Inc.		\$ 816,850.85
3. Kuechle Underground, Inc.		\$ 897,082.00
RECOMMENDED QUOTE OR BID: Reject all bids		
GENERAL INFORMATION: This project is to construct raw water mains to connect Well No. 15 located at Mirror Lakes Drive and Interlachen Boulevard and Well No. 9 located at Hansen Road and Benton Avenue to the new water treatment plant located in the lower level of the Grandview Parking Ramp. The engineers estimate for this project is \$478,447.50. The bid documents for this project required a late fall completion, which staff believes is the reason for higher than expected bids. The Capital Improvement Plan appropriated \$6,950,000 for the construction of Water Treatment Plant No. 6, rehabilitation of Well No. 7, and required piping from Wells No. 2, 7, 9, and 15; funds spent to date on this overall project is \$7,139,786. Staff is recommending that this project remain in the Capital Improvement Plan and be rebid this winter for a mid-summer completion date. Therefore staff is recommending rejecting all bids.
